Re: Health Dynamics Preventive Examination Program & Preventive Care

---

## **Health Dynamics Terminating its Preventive Examination Program Effective December 31, 2022**

The Board of Trustees was recently notified by Health Dynamics that it will be terminating its operations. The Preventive Care Examination Program for the Electrical Workers Health and Welfare Fund Participants will not be available after December 31, 2022.

Health Dynamics examinations will remain available and covered through December 31, 2022. If you and/or your Spouse complete a Health Dynamics Preventive Examination prior to January 1, 2023 you will remain eligible for the \$200 Gift Card.

## **All Preventive Care Remains Covered by Your Plan**

As has been the case since the enactment of the Affordable Care Act (ACA) in 2010, preventative care services, including annual exams, are covered by the Fund with little to no out of pocket expenses paid by you or your family members. You may continue to see your Primary Care Physician for routine physical examinations, vaccinations, cancer and diabetes screenings, tobacco use screenings, etc. For a listing of examples of preventive care services, please visit <https://www.healthcare.gov/coverage/preventive-care-benefits/> and click on the appropriate category (Adults, Women and Children). The Board encourages all Participants to take advantage of the Preventive Care Benefit.

## **Doctor on Demand Virtual Visits are Covered at 100%**

Did you know that you can see a doctor by using your smartphone, tablet or computer? 24/7 care is available from the comfort of your home when you access a *Doctor on Demand* virtual visit. *Doctor on Demand* visits are covered at 100% by your Electrical Workers Health Fund so there is no out-of-pocket cost to you! The savings to you and the Fund are substantial when compared to a trip to urgent care or even a general office visit. Visit [www.doctorondemand.com](http://www.doctorondemand.com) to learn more or to start a visit. *See enclosed flyer for registration instructions.*
